Who We Are

Built on Experience
Driven by Opportunity

DG Holding is a Georgian investment and management group founded by entrepreneur **David Otiashvili**, bringing 30 years of experience in local and international markets.

Our diversified portfolio spans **retail, wholesale, and logistics,** combining entrepreneurial expertise, international business standards, and in-depth regional market knowledge.

We focus on building long-term partnerships, developing businesses, and creating sustainable value across emerging markets.

30 Years of Business Experience

3 Core Business Sectors

100+ mln. Potential Consumers

Let's Build the Next Opportunity Together

Whether you are an international brand, manufacturer, distributor, or investor, DG Holding offers the regional expertise, infrastructure, and partnership flexibility to support your growth.

We combine decades of experience with bold visions for the future, creating value for our partners and communities alike. Our cross-sector expertise, strategic insight, and dedication to excellence make DG Holding a catalyst for transformative growth. We continue looking for new business opportunities for long term cooperation for Georgia and beyond.

We are offering a unique opportunity to establish a strong foothold in the Caucasus and Central Asian Regions.
